Investment Objective

The Balkerne Asset Management UK & International MFS (Managed Fund Service) has the investment objective to provide long term capital and income appreciation with a higher than medium-risk profile.

Investment Policy

The Balkerne Asset Management UK & International MFS investment policy is to achieve the investment objective by investing principally, but not exclusively, in OEICs, Unit Trusts, Investment Trusts and other collective investments and, as appropriate, UK blue-chip equities within the FTSE-350 Index and fixed-interest/bond investments.

The Balkerne Asset Management UK & International MFS is an actively managed portfolio of between 10 and 20 holdings with a nominal cash holding.

Valuations & Reporting

Half-yearly valuations are issued as at 5th April and 5th October of each year. Included with the valuation is a schedule of income received for the period.

Management Profile

Andrew Phillips, MBA, IMC, Lead Manager

Andrew has responsibility for the day to day management of the Balkerne Asset Management UK Mixed MFS. Andrew joined the London Stock Exchange in 1985 with an MBA from Cass Business School, training originally as a private client stockbroker. Qualified as an IFA as well as an investment analyst, with wide-ranging business experience, Andrew brings down-to-earth perspective to our research function.

Miles Moseley, FCCA, MSI, IMC, Deputy Manager

Miles is a Certified Accountant and joined the Group in November 1987. He qualified in Private Client Investment Advice and Management, and gained the prestigious Investment Management Certificate in 1997. In 2005 Miles led a successful management buyout of the Group.

Company Profile

At Balkerne Asset Management we have always held the belief that managing client monies is a privilege and not a right and it is this ethos which underpins the day to day management and processes within the organisation. Established since the early 80s, Balkerne Asset Management has built a strong tradition for offering independent Discretionary Portfolio Management. With a team of highly experienced and knowledgeable investment professionals, whose research strength is the continual in-depth analysis of the top 350 UK blue-chip equities, Balkerne Asset Management are well qualified to manage a broad range of investment portfolios. With highly detailed attention to the daily management of every portfolio, Balkerne Asset Management have earned an enviable and respected reputation for providing a unique approach to stockmarket investing for discerning clients.
