## Investment Objective

The Balkerne Asset Management Income MSS (Managed Stockbroking Service) portfolio has the investment objective to provide a higher level of income than our alternative investment strategies and the prospect of some long-term capital appreciation with a lower risk profile.

## Investment Policy

The Balkerne Asset Management Income MSS portfolio investment policy is to achieve the investment objective by investing principally, but not exclusively, in fixed-interest/bond investments and, as appropriate, UK blue-chip equities within the FTSE-350 Index, OEICs, Unit Trusts, Investment Trusts, other collective investments and other securities.

The Balkerne Asset Management Income MSS portfolio is an actively managed portfolio of 8 to 16 holdings, with a nominal cash holding.

## Valuations & Reporting

Half-yearly valuations are issued as at 5th April and 5th October of each year. Included with the valuation is a schedule of income received for the period.
